## BLOOM WORLD ACADEMY

### 1. Aim

**Bloom World Academy (BWA)** considers this policy to be:

- an essential part of the school;
- supportive to staff and students in managing certain situations;
- an important framework that will ensure consistency in applying values and principles throughout the establishment;
- a roadmap for day-to-day operations;
- compliant with laws and regulations, gives guidance for decision-making, and streamlining internal processes;
- designed to influence and determine all major decisions, actions and all activities taking place within the boundaries set by them;
- aligned to the school's guiding statements and identified goals which are formed in strategic leadership meetings.

### 2. Statement of intent

BWA believes this policy to be a working document that is fit for purpose, represents the school ethos, mission and vision, enables consistency and quality across the school and is related to the relevant UAE legislation.

### 3. Scope

This policy applies to all stakeholders

### 4. Unique definitions

A shared understanding of the following definitions are integral to the implementation of this policy, and as such staff should endeavour to use the correct terminology at all times.

### 5. Process and practice

The follow narrative is explicit in its guidance, consistency, accountability, efficiency, and clarity on how the school operates with regard to Attendance and punctuality

At BWA we are committed to promoting the welfare of our students through regular school attendance. We know that every day lost to education can have an impact on students' attainment and overall progress in school, as well as their social adjustment. Our expected BWA attendance is to be at 98% or better and we expect students to attend right up until the last day of the academic year as this has a significant impact on students' learning.

## BLOOM WORLD ACADEMY

Poor attendance can affect a child's ability to make and keep friendships; a vital part of growing up and setting good attendance patterns from an early age, from Primo through to Senior school will also help your child later in their life.

We are committed to meeting our obligation with regards to school attendance through our whole-school culture and ethos that values excellent attendance, including:

- Promoting good attendance
- Reducing absence, including persistent and severe absence
- Ensuring every student has access to the full-time education to which they are entitled
- Acting early to address patterns of absence
- Building strong relationships with families to ensure students have the support in place to attend school
- We will also promote and support punctuality in attending lessons.
- We will reward outstanding attendance with termly certificates in assembly.

BWA actively promotes and encourages 100% attendance for all students and we strive for attendance that is consistently outstanding for all groups of students.

All staff will be actively engaged in raising attendance levels. This will involve fostering good relationships between students and staff, being aware of the causes of poor attendance and ensuring that the curriculum is relevant and appropriate. We will give a high priority to conveying to parents and students the importance of regular and punctual attendance. We recognise that parents play a vital role and there is a need to establish strong home school links so that we can work together whenever there is concern about attendance.

The School's response to repeated lateness will be the same as for absence, with letters sent out. Sanctions might include the withdrawal of the offer of a place for the following academic year.

In order to promote high levels of attendance and to recognise individual and collective high percentage attendance or improvement, the Academy uses a range of rewards and positive reinforcement strategies. As appropriate to student age these include:

- Display of individual attendance
- Display of tutor/class attendance
- Certificates
- Mention in assemblies
- Achievement Assembly prizes
- Letters home

## BLOOM WORLD ACADEMY

NOTE: In accordance with UAE law a student may be permanently excluded if he/she is absent from school for 20 consecutive days or 25 non-consecutive days within an academic year. In such cases, the school does reserve the right to exclude the child, ask them to repeat a year or withdraw the offer of a place for the following academic year.

### Registration Process

Homeroom teachers register students using iSAMS. In the event of an absence, parents should email [attendance@bloomworldacademy.ae](mailto:attendance@bloomworldacademy.ae), copying in their child's homeroom/key tutor to explain the reason for the absence.

Late students, i.e. a student entering class after 9.00am must sign in at reception – late note slip are given to students which must be presented to class teachers as proof of sign in.

Parents will be contacted through email if their child has an unauthorised absence in iSAMS by 10am

Registers are taken every lesson by subject teacher. Students who truant lessons will be sanctioned accordingly, and parents contacted.

### Categorising Absence

All absence will be recorded against a student's record, regardless of the type and categorisation. However, the school appreciates that there may be unavoidable instances where a child is unable to attend school. Such instances will be recorded as 'Approved absence' (see below) All other absences will be recorded against a student's record as 'unapproved absence' (see below)

Absence can only be approved by a member of SLT and cannot be authorised by parents.

All absences will be treated as an unapproved absence unless a satisfactory explanation for the student's absence has been received.

Absence will be categorised as follows:

#### Approved Absence

- Medical
- Illness
- Family Emergency
- Religious Leave (in certain instances)

## BLOOM WORLD ACADEMY

**Illness:** Parents may be asked to provide medical evidence to allow the Vice Principal to authorise absence where appropriate. This will usually be in the form of an appointment card, prescription etc.

**Medical/Dental appointments:** Parents are advised where possible to make medical and dental appointments outside of the school day. Where this is not possible, students must attend school for part of the day. Parents must show the appointment card to school.

**Other authorised circumstances:** This relates to where there is cause for absence due to exceptional circumstances, e.g. serious family illness or bereavement.

**Suspensions:** External suspensions is counted as an authorised absence. BWA will make arrangements for work to be sent home.

**Requested absence:** Parents who need to take their child out of school during term time due to exceptional circumstances must send a written request to the Principal. Retrospective requests will not be considered and therefore will result in the absence being categorised as unauthorised. All requests for leave of absence will be responded to in writing outlining the conditions of leave granted.

In line with the valued UK Department of Education guidance, BWA will judge each holiday request on an individual basis taking into consideration:

- the time of year for the proposed trip
- if the proposed dates are close to any exam dates
- the student's overall attendance record
- any holidays already taken in the academy year
- the age and stage of education of the student
- the ability of the student to catch up the work that they have missed
- the reason why the parent/carer is requesting the time off during term time

**Religious Observance:** BWA acknowledges the multi-faith nature of our community and recognises that on some occasions, religious festivals may fall outside school holiday periods or weekends and this necessitates a consideration by written request by the parent of authorised absence. Such absence will be authorised up to a maximum of two days annually.

### **Unapproved Absence**

When a child is away without prior knowledge and/or approval of the school. Therefore the absence is unauthorised if a child is away from school without prior approval of the school even with the support of the parent. The absence will be unapproved if current attendance falls below expectations.

## BLOOM WORLD ACADEMY

### **Punctuality**

It is the Academy's responsibility to provide the best education possible. This can only be achieved if a student attends regularly and punctually. The Academy expects all students to arrive at the academy, registrations and sessions on time. Poor punctuality is not acceptable. A student arriving late will disrupt not only their own continuity of learning but also that of others. Occasional lateness to school or lessons will result in short detentions; patterns of lateness over a period of time may result in further action.

### **Attendance Monitoring and Intervention**

BWA has an escalating approach to reinforcing high levels of attendance and intervening in respect of attendance concerns. Attendance is a key agenda item within every child around the team meeting and key strategies are discussed to support students. An attendance tracker is shared with homeroom/key tutors so that they can also reinforce expectations and raise concerns accordingly with families.

The principles underpinning the model will be used to promote consistency both across the different year groups and within each year group.

All students are given a % figure for attendance, which is included on the parent portal and published on the school reports

As per KHDA guidance (see page 37 of the UAE framework) attendance is graded as follows:

- Outstanding = 98%
- Very Good = 96%
- Good = 94%
- Acceptable = 92%
- Weak = 92%
- Very Weak = 90%

## BLOOM WORLD ACADEMY

1	Student's attendance/punctuality falls below 98%	
2	Student's attendance/punctuality falls below 96%	Attendance letter 1- parent meeting with homeroom teacher/key tutor arranged to create attendance action plan.
